

Arlington Artists Alliance Original Artworks Policy

ORIGINAL WORKS ONLY

All works exhibited at shows must be original by the artist and NOT reproductions. They must not present copyright infringement issues. Original works include traditional painting and drawing media as well as photographs, monoprints, etchings, lithographs, silkscreen, collage, digital works, or other experimental, one-of-a-kind works of fine art. They should be your best work. Giclees, inkjet prints, and other works printed by computer on paper, canvas, or other substrate are not considered original works, and are not acceptable in AAA exhibits.

Any exception to the above policy must be approved by the Board. For example, if a show also includes bin pieces, the Board may authorize reproductions in bins provided that the work is clearly labeled on the reverse as a reproduction.
